4.2.2 the balance of the Purchase Price shall:

4.2.2.1 if the Purchaser does not require mortgage finance as contemplated in clause 18 below, be paid into the Trust Account within 5 (five) business days of being requested to do so by the Transferring Attorney, which amount shall be invested by the Transferring Attorney for the credit of the Purchaser in an interest-bearing account as contemplated in section 86(4) of the Legal Practice Act until the Transfer Date; and

- 4.4 The Purchaser confirms that this Agreement constitutes the Purchaser's written consent and instruction to the Transferring Attorney to invest any funds paid by the Purchaser in lieu of the Purchase Price into the Trust Account in terms of section 86(4) of the Legal Practice Act, but further confirms that he is aware that the Transferring Attorney may require a separate authorisation to be signed by the Purchaser to invest the funds as such and undertake to furnish the Transferring Attorney on request with such authorisation together with such documentation under the Financial Intelligence Centre Act 38 of 2001 ("FICA") or other documentation as the Transferring Attorney may require.
- 4.5 All the monies payable by the Purchaser in terms of this Agreement which remains unpaid on the due date shall bear interest at the rate of 5% (five percent) per annum above the prime lending rate of The Standard Bank of South Africa from time to time and shall be calculated from the due date to the date of payment.
- 4.6 All payments to be effected hereunder shall be effected by the Purchaser to the Transferring Attorney without set-off or deduction and free of exchange.
- 4.7 Should the Purchaser make payment of the Reservation Deposit plus an additional amount in lieu of the Purchase Price to the Transferring Attorney and subsequently obtains mortgage finance for the full amount of the Purchase Price, it is agreed that any amount so paid by the Purchaser in excess of the Purchase Price will be repaid to the Purchaser by the Transferring Attorney after the Transfer Date and upon receipt of payment by the Transferring Attorney of the full mortgage finance proceeds.

- 6.2 It is agreed that all risk in and benefit to the Property will pass to the Purchaser on the Completion Date irrespective whether the Purchaser physically occupies the Property or not.
- 6.3 From the Completion Date:

- 6.4.2 that the Purchaser will have no claim of whatsoever nature against the Seller by reason of any such inconvenience, provided that such inconvenience is not caused by the intentional or grossly negligent act/s of the Seller or its agent/s or its employee/s.

- 6.5 Should any dispute arise between the Seller and the Purchaser whether or when the Section is or was available for beneficial occupation, the decision of the Principal Agent with regard thereto shall be final and binding upon the parties after the said agent has requested both parties to submit written submissions. - 6.6 It is anticipated that the Property will be ready for occupation on

Anticipated occupation date	PHASE 1 = DECEMBER 2020
	PHASE 2 = JUNE 2021

("the specified date"). If, however, the Seller is of the opinion that, for whatever reason, the Property will not be sufficiently complete for beneficial occupation by the specified date, then the Seller shall notify the Purchaser in writing of such fact at least 30 (thirty) days before the specified date and shall specify in such notice the later date on which the Property is expected to be completed for the purposes of beneficial occupation ("the extended date"), which date shall be a date not more than 6 (six) calendar months after the specified date.

- 6.7 If the Property is not sufficiently complete for beneficial occupation by the extended date as provided for in clause 6.6 above, the Purchaser shall have the right, on written notice to the Seller, to immediately terminate this Agreement, provided that such notice is received by the Seller not later than 14 (fourteen) days after the extended date. In the event of the Purchaser so terminating this Agreement, the Purchaser shall be entitled to be refunded by the Transferring Attorney and the Seller respectively of amounts still in trust with the Transferring Attorney and any amount paid by the Transferring Attorney to the Agent as contemplated in clause 23 below. The Purchaser records that he shall have no further claim of whatsoever nature or howsoever arising against the Seller for failing for any reason to give possession and occupation of the Property to the Purchaser timeously.
- 6.8 If, however, the Seller is of the opinion that the Property will be sufficiently completed for beneficial occupation prior to the specified date, then the Seller shall be entitled to anticipate the new date of occupation on 30 (thirty) days' written notice to the Purchaser, provided that such new anticipated date shall not be more than 90 (ninety) days earlier than the specified date.

7 DEFECTS LISTS

- 7.1 The Purchaser or his duly appointed representative will prior to the Completion Date inspect the Section and submit in writing a list of patent (visible) Defects in respect to the Section ("snag list") to the Independent Property Inspector. The Seller will on receipt of such snag list instruct its contractors to remedy such Defects at its costs to the reasonable satisfaction of the Purchaser or his representative prior to the Completion Date.
- 7.2 Once the patent Defects have been remedied to the reasonable satisfaction of the Purchaser, the Purchaser or his representative will sign a letter of satisfaction ("happy letter") which, in the event that the Purchaser has obtained mortgage finance, has to be acceptable to the mortgagee.
- 7.3 After the Completion Date, the Purchaser will have a further 14 (fourteen) days to submit a further list of any patent Defects which could not necessarily be listed prior to the Completion Date. Should such list of patent Defects not be received by the Independent Property Inspector within 14 (fourteen) days of the Completion Date, the Purchaser will be deemed to have accepted the Property in a fit and proper condition and the Seller will be indemnified and released from any further responsibility to remedy any such patent Defects.
- 7.4 In the event of a dispute arising as to whether the patent Defects were duly brought to the attention of the Seller or whether the remedying of the patent Defects have been undertaken to the reasonable satisfaction of the Purchaser, the decision of the Principal Agent will be final and binding on the parties after both parties have been requested to submit written submissions.

- 7.5 The Purchaser accepts the appointment of the Independent Property Inspector to act as the exclusive liaison between the Purchaser and the Seller and undertakes not to contact the Seller directly.
- 7.6 The Purchaser undertakes to give access to the Seller and its contractors after the Completion Date to enable the Seller and its contractors to attend to the remedying of the patent Defects indicated in any of the above Defect lists. In the event that the Seller or its contractors are on at least 3 (three) occasions unsuccessful to get access to the Section within a period of 30 (thirty) days from date on which the Seller first notifies the Purchaser that access is required for the purposes contemplated in this clause, the parties agree that it will be deemed that the Purchaser does not require any such items to be remedied any longer, that the Purchaser is satisfied with the condition of the Section and that the Purchaser has released the Seller and its contractors from any obligations with regard to the repair of any patent Defects.
- 7.7 Any patent Defect arising within any of the periods referred to in clause 8 below which may be regarded as a material or an urgent defect and which may cause damage to the Section or to the Scheme if not attended to immediately, will have to be reported in writing to the Independent Property Inspector immediately if detected during business hours. If it is detected outside of business hours, the Purchaser or his representative will take reasonable steps to limit any damage which may be caused by such Defect until the Independent Property Inspector responds to the reported Defect.

8 LATENT DEFECTS AND SELLER'S WARRANTY

- 8.1 Latent Defects (defects not visible at the Completion Date) must be reported in writing to the Independent Property Inspector by the Purchaser or his representative within a period of 90 (ninety) days from the Completion Date, after which the Seller or its contractors will remedy such Defects at its costs within a period of 90 (ninety) days after receipt of such report.
- 8.2 In the event that the Purchaser fails to notify the Independent Property Inspector as contemplated in clause 8.1 above, the Purchaser will have no claim of whatsoever nature against the Seller for the remedying of such latent Defects.
- 8.3 Furthermore, notwithstanding anything previously provided, the Seller will under no circumstances be responsible for damage and/or loss caused by wear and tear, misuse, neglect, negligence, abuse or accidental damages caused by the Purchaser, his representative or his tenant and/or in the event of the late reporting of any Defect causing further damage.
- 8.4 The Purchaser acknowledges that it will be the responsibility of the Independent Property Inspector to convey all Defects reported by the Purchaser or his representative to the Seller and to facilitate communication insofar as required to give effect to clause 7 above and this clause 8.
- 8.5 The Purchaser will accept transfer of the Property subject to all conditions and servitudes benefiting or burdening the Property, including such conditions and servitudes already in existence and all such conditions and servitudes as may be imposed by any competent authority or by the Seller. The Purchaser acknowledges having made himself fully acquainted with the Section, its nature, location and extent, the draft sketch plans attached hereto as Annexure "A", the building specifications attached hereto as Annexure "B" and the Rules and all other relevant documents.
- 8.6 The Seller will ensure that its contractors comply with all applicable building regulations and conditions and that a Standard Home Builders Warranty be issued in accordance with legislation and the rules and practice of the National Home Builders Registration Council relating to the improvements on the Property. In the event that any portion of the Section has to be repainted due to a defect being reported, only that portion affected by the defect will be repainted.
- 8.7 The Purchaser will be furnished with a copy of the electrical compliance certificate as required in terms of the Occupational Health and Safety Act 85 of 1993, a copy of the certificate of occupancy and a copy of the NHBC enrolment certificate pertaining to the Property.

- 8.8 The Seller will ensure that its contractors warrant the entire Section in respect of major structural defects for a period of 5 (five) years and roof leakage for a period of 1 (one) year from the Completion Date in the event that the Defect is due to non-compliance with technical building standards.
- 8.9 Save as specifically set out in this Agreement, the Purchaser acknowledges that the Seller or the Agent has made no representations and given no warranties in respect of the Property, the Building or in respect of anything relating thereto other than as provided in this clause 8.

9 UNDERTAKING BY THE SELLER

- 13.5 In the event that the Purchaser causes an unjustified delay in the registration of the Property and/or the registration of the bond, which delay results in the relevant documents not being lodged for registration in the

relevant deeds registry at the time of the lodging of the application for the opening of the Register and the registration of the Sectional Plan, the Seller will have the right, without prejudice to any other right or remedy he may have in law (including but not limited to the right to claim damages) to either immediately cancel this Agreement or to claim specific performance of the terms and provisions of this Agreement. In the event that the Seller claims specific performance, the Purchaser shall in addition to the monthly levies as contemplated in clause 11 above and the monthly occupational interest contemplated in clause 6.3.1 above, also be liable for the payment of an amount of R10 000,00 (Ten Thousand Rand) per month from the date on which the documents pertaining to the opening of the Register and the registration of the Sectional Plan could have been lodged in the relevant deeds registry until the actual date of lodgement thereof.

- 13.6 Notwithstanding anything stated to the contrary herein, the Purchaser shall be entitled to cancel this Agreement by written notice to the Seller if the Seller fails to pass transfer of the Property into the name of the Purchaser within a period of 30 (thirty) months from the Signature Date, in which event the Seller shall repay any commission paid to the Agent as contemplated in clause 23 without set-off or any deductions into the Purchaser's nominated bank account within 14 (fourteen) days after the expiry of the 30 (thirty) months period and the Transferring Attorney will immediately effect the repayment of the balance of any such funds invested by the Transferring Attorney in terms of the Legal Practice Act.

14 JURISDICTION

The Purchaser consents in terms of the Magistrates' Court Act 32 of 1944 to the jurisdiction of any court having jurisdiction in terms of sections 28 and 29 of the said act in any action instituted by the Seller arising out of this Agreement, provided that the Seller will at all times be entitled to institute any action arising out of this Agreement against the Purchaser in any High Court of competent jurisdiction.

15 COSTS

- 15.1 The Seller shall be liable to pay the fees and disbursements of the Transferring Attorney and the bond registration attorney. However, should the financial institution which approves the Purchaser's loan application on its own accord or at the request of the Purchaser appoint an attorney other than the Transferring Attorney to attend to the registration of the bond, the Purchaser shall be liable for the payment of the bond registration costs to such attorney.
- 15.2 Notwithstanding the provisions of clause 15.1 above, the Purchaser will be liable for the payment of all fees and disbursements incurred or to be incurred by the Transferring Attorney and the bond registration attorney in the signing of the transfer and/or bond documents with any correspondent attorney. No such fees will be payable by the Purchaser if the transfer and mortgage bond documents are signed at the offices of the Transferring Attorney.
- 15.3 Notwithstanding the provisions of clause 15.1 above, the Purchaser will be liable for the payment of the costs relating to the issue of the insurance certificate in respect of the Property, as well as the initiation fees and/or valuation fees levied by the financial institution who approves his loan application in the event that the same is not debited against the home loan account with the said institution on the Transfer Date.

16 TAX AFFAIRS

The Purchaser declares that his personal income tax and/or VAT affairs are in order and any resultant delay in the transfer of the Property in the name of the Purchaser, if this appears not to be the case, will be a material breach of this Agreement which will entitle the Seller to the immediate cancellation of this Agreement.

17 NOTICES AND DOMICILIA

- 17.1 Each of the parties chooses as his *domicilium citandi et executandi* ("domicilium") for the purposes of giving of any notice or the serving of any process and for any other purpose arising from this Agreement their respective physical addresses as stated above.

- 17.2 Each of the parties will be entitled from time to time, by written notice to the other party to change his domicilium to any other address within the Republic of South Africa which is not a post office box or poste restante.
- 17.3 Any notice given by a party to the other ("the recipient") which:
- 17.3.1 is delivered by hand during business hours will be presumed to have been received by the recipient at the time of delivery, until the contrary is proved by the recipient; or
 - 17.3.2 is posted by prepaid registered post from an address within the Republic of South Africa, will be presumed to have been received by the recipient on the fourth business day after the date of posting; or
 - 17.3.3 is sent by email will be deemed to have been received by the recipient in 1 (one) hour after the time of transmission on a business day.
- 17.4 Where in terms of this Agreement any communications are required to be in writing the term writing will include communications by email.

18 MORTGAGE BOND AND BOND ORIGINATOR

- 18.1 This Agreement is subject to the suspensive condition that the Purchaser obtains a loan to be secured by the registration of a mortgage bond over the Property or another property registered in the name of the Purchaser from a recognised bank or other financial institution for the difference between the Purchase Price and the Reservation Deposit, or such other amount as may be acceptable to the Purchaser, within a period of 21 (twenty one) days from the Signature Date: provided, however, that the said 21 day period shall automatically be extended with a further 21 day period if the loan is not approved within the first mentioned 21 day period. In the event of such loan not being granted within the periods prescribed herein, this Agreement shall automatically lapse in which event neither party shall have any claim of whatsoever nature against the other, save for the Transferring Attorney's obligation to repay the Reservation Deposit to the Purchaser.
- 18.2 The Purchaser is aware of the fact that the Scheme consists of multiple units and that the Seller preferably requires the transfer of all such units simultaneously with the opening of the Register and the registration of the Sectional Plan. The parties therefor agree that it is imperative that the bank or other financial institution at which the Purchaser applies for finance do not impose onerous conditions which may result in this not happening and, if such onerous conditions are imposed, the Purchaser warrants that he shall accept and comply with such conditions expeditiously, failing which the Seller may at his option, immediately cancel this Agreement. For clarity purposes, the following serves as an example:
- The bank or other financial institution requires that the Purchaser takes out risk insurance or life insurance and includes the monthly premiums in the cost of credit. Even if the Purchaser could obtain such insurance at reduced costs from third party insurance companies, the Purchaser shall nevertheless accept the said monthly premiums in respect of such insurance quoted by the bank or financial institution in order to ensure that registration is effected expeditiously, as the Purchaser may subsequent to the Transfer Date cancel such insurance and replace the same with insurance of his own choice. Should the Purchaser, however, insist on the obtaining of insurance from third party insurance companies prior to registration, such insistence may delay the contemplated simultaneous registration alluded to above, in which event the Seller may cancel this Agreement.
- 18.3 Subject to clause 18.4 below, the Purchaser is not allowed to apply for the loan contemplated in clause 18.1 above other than through the Bond Originator.
- 18.4 Should the Agent consent to the Purchaser applying on his own or through originators or his personal banker for the abovementioned loan, the Purchaser shall effect payment of an amount of R10 000,00 (Ten

Thousand Rand) inclusive of VAT to the Transferring Attorney prior to the Transfer Date, which amount will be paid by the Transferring Attorney to the Bond Originator on the Transfer Date.

- 18.5 The Purchaser hereby authorises the Bond Originator to lodge the abovementioned loan application on his behalf and to sign on his behalf all such documentation as may be required by the bank or other financial institution.
- 18.6 The Purchaser undertakes to provide, on request of the Bond Originator all financial and other information required by the bank or other financial institution within a period of 5 (five) days from the date on which the Bond Originator requests him to do so.
- 18.7 In the event that the Purchaser's loan application is approved as per clause 18.1 above and the bond is withdrawn prior to the Transfer Date by the bank or other financial institution, whether upon the instructions of the Purchaser or otherwise, the Purchaser records that he is aware that this Agreement has become unconditional when such loan was granted and that he will in such event be in breach of the terms and conditions of this Agreement should guarantees for the balance of the Purchase Price not be furnished or payment of the balance of the Purchase Price not be effected into the Trust Account within 14 (fourteen) days from the date that the bond is so withdrawn.

19 VARIATIONS OF SPECIFICATIONS AND PROPERTY

- 19.1 The Building will be built substantially in accordance with the draft sketch plans annexed hereto as Annexure "A" and the building specifications attached hereto as annexure "B", provided that the Seller shall be entitled to substitute items of a similar standard and quality for any specified item. The Purchaser acknowledges that no request for any variations to the Section and or the building specifications will be entertained. Moreover, the Seller shall be entitled to vary the plans for the Building and/or the Property, should the Seller consider the same reasonably necessary for technical or aesthetic reasons.
- 19.2 If any dispute should arise between the parties regarding the changes effected by the Seller as contemplated in clause 19.1 above, the decision of the Seller's Principal Agent will be final and binding as to whether or not there has been substantial compliance by the Seller of its obligations after the Principal Agent has requested written submissions from both the Purchaser and the Seller. Should the dispute be determined in favour of the Purchaser, then the Purchaser shall be entitled to cancel this Agreement and shall be entitled to a refund of all monies paid in terms hereof without any further recourse against the Seller.

20 NO INTERFERENCE

The Purchaser will not in any way interfere with, or give instructions to any of the Seller's agents, employees, contractors or subcontractors. The Purchaser will not be allowed to enter the Section unless the prior written consent of the Seller is first had and obtained, in which event the Purchaser must be accompanied by the Independent Property Inspector or his representative.

21 OFFER

It is confirmed that the Purchaser's signature on this document constitutes an offer which is open for acceptance by the Seller as stipulated in clause 2.2 above.

22 RESOLUTIVE CONDITION

- 22.1 The Purchaser acknowledges that the economic viability of the development of the Scheme depends largely on the response by the purchasing public to the advertising campaign launched by the Seller and/or the Agent in respect of the development. In the event that the Seller is of the opinion that the development will not be financially viable or if the Seller has not managed to successfully sell a sufficient number of units in the Scheme, the Seller may give notice of the termination of this Agreement, in which event this Agreement shall immediately terminate and be null and void, save for the Seller's obligation to refund to the Purchaser

the Reservation Deposit as contemplated below. For clarity purposes, this obligation of the Seller to refund the Reservation Deposit shall survive the termination of this Agreement.

22.2 With reference to clause 22.1 above, the notice to the Purchaser will be given by the Transferring Attorney by way of email and the Seller shall immediately ensure that the Reservation Deposit is refunded to the Purchaser.

23 AGENT'S COMMISSION AND PAYMENT OF COMMISSION PRIOR TO THE TRANSFER DATE

23.1 The parties warrant that the Agent was the effective cause of this Agreement and that no other person or estate agent introduced the Purchaser to the Property or the Purchaser to the Seller, and the Seller shall be liable to effect payment of the Agent's commission as agreed to in this Agreement.

23.2 The Purchaser hereby instructs the Transferring Attorney to effect payment of the amount of R20 000,00 (Twenty Thousand Rand) ("the commission") to the Agent from the Reservation Deposit paid by the Purchaser to the Trust Account as follows:

23.2.1 should the Purchaser not require mortgage finance as contemplated in clause 18 above, once the full balance of the purchase price is secured by the Purchaser to the satisfaction of the Seller; or

23.2.2 should the Purchaser require mortgage finance as contemplated in clause 18 above, once:

23.2.2.1 the bond registration attorney receives an instruction from the bank or other financial institution who approved the Purchaser's loan application to attend to the registration of a mortgage bond over the Property or another property registered in the name of the Purchaser as security for the loan; and

23.2.2.2 the Purchaser confirms in writing by email or otherwise to the Transferring Attorney that the loan so approved was accepted by him

after which the Transferring Attorney shall advise the Purchaser in writing by way of email that the commission will be paid to the Agent as contemplated in this clause 23.2.

23.3 The Purchaser confirms that he is aware that once the commission is paid by the Transferring Attorneys to the Agent as contemplated in clause 23.2 above, interest will only be earned on the remaining balance of the Reservation Deposit (if any) which has been invested by the Transferring Attorney in terms of the Legal Practice Act.

23.4 In the event:

23.4.1 that this Agreement terminates as contemplated in clause 22 above; or

23.4.2 that this Agreement is cancelled by the Purchaser due to the breach of this Agreement by the Seller;

the Seller shall repay the commission without set-off or any deductions into the Purchaser's nominated bank account within 14 (fourteen) days of the notice contemplated in clause 22.2 above and the Transferring Attorney will immediately effect the repayment of the balance of any such funds invested by it in terms of the Legal Practice Act.

24 RENTAL MANAGEMENT

24.1 Subject to the terms and conditions of this clause 24, the Seller hereby consents that the Property may be let to a suitable tenant with effect from the Completion Date if the Purchaser does not intend occupying the Property himself.

24.2 The Purchaser hereby appoints the Independent Property Inspector as its sole and exclusive agent to procure and place tenants in the Property and act as his rental agent for a period of 3 (three) years from the Completion Date on the terms and conditions of the Independent Property Inspector's standard rental management agreement from time to time.

25 **COMPANY / CLOSE CORPORATION / TRUST**

In the event of the Purchaser being a Company, Close Corporation or a Trust, or any person acting in a representative capacity, the person signing this Agreement on behalf of the Purchaser shall be deemed to have bound himself/herself/themselves as surety(ies) and co-principal debtor(s) for all the obligations of the Purchaser (and, if applicable, jointly and severally with any other persons signing this Agreement on behalf of the Purchaser), such surety(ies) hereby renouncing the benefits of excussion and division the effect of which he/she/they acknowledge himself/ herself/ themselves to be aware.

26 **DIRECT MARKETING AND COOLING OFF**

26.1 In terms of section 16 of the Consumer Protection Act, if this Agreement has been entered into as a result of direct marketing, meaning that the Purchaser was directly or indirectly approached either in person or by mail or electronic communication by the Seller or the Agent for the purpose of promoting or offering to supply, in the ordinary course of business, the sale of the Property hereby sold, the Purchaser would have been entitled to cancel this Agreement without reason or penalty by written notice within 5 (five) days after the Signature Date, or within 5 (five) business days after delivery of the Property.

26.2 The Seller is therefore not prepared to enter into any agreement with the Purchaser if such agreement would have resulted from such direct marketing. The Purchaser therefore warrants that this transaction is not entered into as a result of such direct marketing conducted by the Seller and the Seller enters into this Agreement relying entirely upon such warranty.

26.3 If after delivery of the Property, the Purchaser is successful in cancelling this Agreement by relying upon the right of cancellation flowing from the direct marketing provisions of the Consumer Protection Act, the Purchaser shall be liable for damages suffered by the Seller as a result thereof on the basis of the Purchaser's breach of this warranty.

27 **GENERAL**

27.1 This Agreement is the sole agreement between the parties hereto and no amendment, variation or consensual cancellation hereof will be valid unless such amendment, variation or consensual cancellation has been reduced to writing and signed by the parties or their duly authorised representatives hereto.

27.2 No extension of time or indulgence granted by either party to the other deemed in any way to affect, prejudice or derogate from the rights of such party in any respect under this Agreement, nor will it in any way be regarded as a waiver of any rights hereunder, or a novation of this Agreement.

27.3 Each of the parties hereby undertakes when called upon to do so by the Transferring Attorney and the bond registration attorney to forthwith sign all required documents in order to effect the registration of the transfer of the Property and/or the mortgage bond and to furnish all documents which may be required in order to comply with the requirements of FICA.

27.4 If there is more than one Purchaser in terms of this Agreement, the liability of each of the Purchasers will be joint and several.

27.5 Save as otherwise agreed to in this Agreement, the Purchaser will not be relieved of any of his obligations under this Agreement or be entitled to any reduction of the purchase price or any other amount due in terms hereof in the event that the Seller fails to obtain, or delay in obtaining, any approval of whatsoever nature which may be required for the development to be completed from any governmental authority or if the opening of the Register is delayed for whatever reason.

27.6 This agreement may be executed in counterparts, which shall together constitute one agreement. Any party may enter into this agreement by signing any such counterpart.

27.7 The Purchaser acknowledges by his signature hereto that the Seller has provided sufficient time and opportunity for the Purchaser to receive and comprehend the nature and effect of the provisions of this Agreement and to obtain independent legal advice.
